ABOUT ME

I am a Data Science student at the Politecnico di Torino and also extremely passionate about programming and research. I founded a firm named VGostar in the Augmented Reality (AR) field at the University of Kurdistan, and also we have been funded by university.

Recently, I have been working in an accelerator firm named Zharfa as a back-end developer using Node.js. We are working on some commercial projects.

In 2021, I participated in a research project managed by Dr. Sina Ahmadi from the George Mason University and Dr. Fatemeh Daneshfar from the University of Kurdistan. It is supposed to be submitted soon.

EXPERIENCE

CO-FOUNDER AND BACK-END DEVELOPER   2022-2023
VGostar | *Sanandaj, Iran*

• Implementation of AR technology

JUNIOR BACK-END DEVELOPER   2022-Present
Zharfa Accelerator Academy | *Sanandaj, Iran*

• MicroLearning Project

EDUCATION

BACHELOR OF COMPUTER ENGINEERING   2018-2022
University of Kurdistan | *Sanandaj, Iran*

• Accepting and being funded a firm related to AR technology by the university
• Research assistant (RA) and teaching assistant (TA)
• Student Union

MASTER OF DATA SCIENCE AND ENGINEERING   2023-PRESENT
Politecnico di Torino | *Turin, Italy*

VOLUNTEER

RA

- Research assistant in **EndoLink** Project with Dr. Sina Ahmadi at George Mason University and Dr. Fatemeh Daneshfar at University of kurdistan.
- Research assistant in **KurdNet** Project with Dr. Sina Ahmadi at George Mason University and Dr. Fatemeh Daneshfar at University of kurdistan.

TA

- Teaching assistant of "Fundamentals of Computer Programming" course with C programming language, with Dr. Amanj Khorramian at University of kurdistan.

STUDENT UNION

- Member of IOT student union

WORKSHOPS

CEH SECURITY WORKSHOP

- CEH Security Course presented by Moslem Haghighian.

IOT WORKSHOP

- IOT Workshop with Arduino.

KOTLIN PROGRAMMING WORKSHOP

- Building an android application with kotlin.

SKILLS

● ● ● ●   Node.js, JavaScript, C#

● ● ● ○   Asp.net, Unity, Java, Arduino, C

● ● ○ ○   Jekyll,Python, Kotlin

Languages
- English IELTS 6.5 (Full professional proficiency)
- Persian (Native)
- Kurdish (Native)
